“This “Experience” was the most entertaining tribute to Elvis that I have ever witnessed. Mark nailed every iconic move and his sound was so incredible that I still get requests to bring him back. GREAT SHOW!”

“Mark shook, rattled and rolled us. SO much more authentic than I expected.”

~John from Alberta Canada

“I wasn’t sure if I wanted to go to the show because there will never be another Elvis, but I was wrong. Mark took me back to when I saw the “King” LIVE in the early 70s! I will definitely be back to see him again!”
